

Katja Potočar

Born in Jesenice, Slovenia, 13th September 1999.

Been dancing ever since she learned how to walk. In september 2007, at the age of 7, she started dancing classical ballet in Glasbena šola Jesenice, where she first joined preballet school. Later in june 2008, she skipped two years of preballet school due to her teacher's suggestion because of her hard work and fast-learning ability, and continued directly in ballet school, in september 2008.

In June 2014, she graduated from the ballet program of Glasbena šola Jesenice and then joined the "Ballet Group" (ballet adult team) the same year, where she continues to dance up until this day.

10 years ago, she also started learning and dancing Latino American and standard dances, non-professionally.

In 2018, she graduated from Gimnazija Jesenice and the same year became a student of VSŠ Bled until 2021.

In June 2019, she has been chosen as a member of the ReFresh dance group in Novo Mesto and later that year traveled with the team to dance in Murcia, Spain.

Since the summer of 2020, she is also working as the underwater dancer in the every day mermaid shows at semisubmarine Moreno in Mali Lošinj, Croatia.

Dance and ballet mean everything to her because they saved her life and are her reason for living. She cannot imagine life without them.
